

# Hatboro Warminster Community Lenten Services 2012

## EMBRACING VIRTUE

virtue \ 'vər(,)chü \ n [ME *virtu*, fr. L *virtus* strength, manliness, virtue fr. *vir* man 5. a commendable quality or trait.

Lent has historically been a time for self-examination and repentance; prayer, fasting and self-denial as a way of preparing for the remembrance of our Lord's crucifixion and resurrection. These disciplines of denial are most effective when they are accompanied by the corresponding discipline of opening ourselves to and embracing that which is good and holy and strengthening to our life in God. This year the Ministerium invites you to join us as we gather on the middle five weeks of Lent and explore the power of Christian virtues to shape our lives in the world.

Please mark you calendar, commit to being present and bring a friend.
